## NOMINATION GUIDE

Deadline for nominations

**22 JULY**

# EXCELLENCE AWARDS 2022

The {my}dentist Excellence Awards recognise the outstanding individuals and teams whose commitment to patient care and professional development continues to raise standards at {my}dentist and in their profession.

This year will be the first year since 2019 where we can come together at the {my}dentist Clinical Conference, CLINCON22, and celebrate together. We will be celebrating the achievements and enormous difference our practice teams and support colleagues have made to the millions of patients we see across the country. We want to recognise these achievements, which is why we're inviting you to submit your nominations now for our annual {my}dentist Excellence Awards.

## WHAT HAPPENS NEXT?

You have until Friday 22 July to nominate in as many categories as you wish, providing as much information as possible within the set criteria but within the 300 word limit per category.

Our judges, made up of colleagues from a range of clinical and non-clinical roles, will be assessing the entries and choosing our winners. Shortlisted finalists will be announced in August with the {my}dentist Excellence Awards being held on Friday 14 October at Birmingham's ICC as part of CLINCON22.

## WHY SHOULD YOU NOMINATE?

We need you to nominate colleagues and clinicians for as many categories as you can, only you know how great your teams are! Whether it's an exceptional Dentist, Receptionist, Therapist or Hygienist, we want to hear all about them!

## HOW TO NOMINATE

Ensure you have read the category criteria. Decide which category/categories you wish to enter. Complete the nomination form for each nomination you wish to submit.
